

Company profile

Established in Brazil in 1881, Döhler S.A. is a vertical and integrated company with modern equipments, covering all processes from spinning, weaving and dyeing, to cutting & sewing. With more than 200.000 m² of built area, Döhler is one of the largest textile mills in the world. The company employs over 3.000 employees and is proud to be ISO 14001 and Oeko-Tex certified, with a proven track record of being harmless to employees and the environment. Sustainability is not a new concept for Döhler. Finding the perfect synergy between investment, human resources, culture, and environmental protection has been the primary goal of the company for more than a few decades.

Product Line:

Döhler offers a wide range of bath, hand and beach towels, bath robes, tablecloths, kitchen towels, bed linens, curtains and decoration fabrics.
